

The Turn Of a Friendly Card (pts 1&2)- Alan Parson's Project
by Bundyboy

There are unsmiling faces and bright plastic chains
and a wheel in perpetual motion~~
and they follow the races and pay out the gains
with no show of outward emotion~~

and they think it will make their lives easier~~
for god knows up till now it's been hard~~
but the game never ends when your whole world depends
on the turn of a friendly card~~
but the game never ends when your whole world depends
on the turn of a friendly card~~

There's a sign in the desert that lies to the west
where you can't tell the night from the sunrise~~
and not all's the king's horses and all the king's men
have prevented the fall of the unwise~~

For they think it will make their lives easier~~
and god knows, it's been hard~~
but the game never ends when your whole world depends
on the turn of a friendly card~~

on the turn of a friendly card~~

but the game never ends when your whole world depends
on the turn of a friendly card~~
