Ohhooooo Ohoooo Ohoo Ohoooo

If general Mc Callister gave up the wars
D C
and all of the people went back to their chores
F C G
then all the kings horses and all the kings men could go home---

G C
If all of the people were on the same side
D C
there'd be no need to run, there'd be no need to hide
F C G
and all of us here in our grey tattered coats could go home

C G
If you'd just listen sir once again
C G
to the reasons of one of your men
C G
it could make all these things come to pass
F C G
and I could lay on Arkansas grass

C D G Em C G
Home Home go it alone to the sound of the military brass
C D G Em F C G
Home home lover's alone, layin' on Arkansas grass,

G F C G
Ohhooooo Ohoooo Ohoo Ohoooo
G F C G
Ohhooooo Ohoooo Ohoo Ohoooo

G C
So bravely we marched both the grey and the red
D C
to lick 'em first time like the good general said
F C G
with nary a thought that so very few would go home

G C
If weren't so wrong for a soldier like me
D C
to throw down his gun and run to be free
F C G
and all of us here with the fear in our ours could go home

C G
If you'd just listen sir once again

C G
to the reasons of one of your men
 C G
it could make all these things come to pass
 F C G
and I could lay on Arkansas grass

C D G Em C G
Home Home go it alone to the sound of the military brass

Home home lover's alone, layin' on Arkansas grass,
