A                          D           Dm
 Have I ever told you~   how good it feels to hold you~
A                   E
 it isn't easy, to explain~
A                                 D          Dm
and though I'm really trying~     I think I may start crying
A                              Bm                                    A
 my heart can't wait another day~ when you touch me I just got to say~

          D     E       A          D     E
Ba~by   I love~ you~,   Ba~by   I love~ you~,
A         D     E                     C           A
Ba~by   I love~ you~,   ,come on baby now-w-w     now-w-w

A                              D           Dm
I can't live without you~    I love everything about you~
A                                 E
I can't help it,  if I feel this way~
A                              D         Dm
Oh I'm so glad I found you~  I want my arms around you~
A                           Bm                                      A
I love to hear you call my name~ tell me baby that you feel the same~

          D     E       A          D     E
Ba~by   I love~ you~,   Ba~by   I love~ you~,
A         D     E                     C          A
Ba~by   I love~ you~,   ,come on baby now-w-w   now-w-w

A                          D           Dm
A                              Bm                                     A
 my heart can't wait another day~ when you touch me I just got to say~

          D     E       A          D     E
Ba~by   I love~ you~,   Ba~by   I love~ you~,
A         D     E                     C         A
Ba~by   I love~ you~,   ,come on baby now-w-w  now-w-w

Repeat to fade
          D     E       A          D     E
Ba~by   I love~ you~,   Ba~by   I love~ you~,
